

EVERGREEN ♦ EAST HILLS VISION STRATEGY EIR

- What:** Environmental Impact Report (EIR) is an informational document, not a decision or a recommendation for or against the project.
- Why:** Provide objective information about the EEHVS project and anticipated environmental impacts to public and decision makers, i.e. “look before you leap,” and identify ways to minimize or avoid environmental impacts.
- Issues EIR Covers:** Physical conditions which exist within the area which will be affected by, or affect, a proposed project, including land, air water, minerals, flora, fauna, noise, objects of historic or aesthetic significance, traffic, utilities, public services, hazardous materials, energy, hydrology.
- Issues not in EIR:** Project rationale, cost, and potential social and/or economic issues.
- How to Comment:** By 5:00 p.m. on Monday 20, 2006, submit written comments on the adequacy and accuracy of information presented in the EIR to John Baty in the Department of Planning, Building & Code Enforcement via e-mail: john.baty@sanjoseca.gov, by fax at (408) 292-6055 or by regular mail at 200 East Santa Clara Street 3rd Floor, San José, CA, 95113.
- 10 days prior to the public hearing on the EIR, the City’s responses to comments received during the public review period will be available for review and will be mailed to those who have commented in writing during the public review period. *Please note that comments regarding the merits of the project do not require responses.
